Dear Dave,

I am writing to acknowledge, with thanks, the receipt of the Army of the Ohio's donation of \$1,000 on February 4, 2011, for the conservation of the Regimental Colors of the 23rd Ohio Volunteer Infantry. We appreciate this thoughtful contribution and your organization's assistance in helping us to conserve an important piece of our military history.

As you mentioned in your letter, with this donation, the Army of the Ohio has officially adopted the flag. Mark Holbrook will be presenting the adoption certificate on behalf of the Ohio Historical Society at the Army of the Ohio's Spring Drill in April.

Please feel free to contact me at 614-297-2322 or pwilson@ohiohistory.org with any questions. I look forward to working with you and the Army of the Ohio in the coming year.

Sincerely,

Paulene Wilson
Development Officer
